

Shape Songs Activity Pack

Sing, trace, hunt, sort and build shapes

**A colourful printable for preschool maths
through music and play.**

How to Use This Pack

Short, playful shape moments

1

Sing one shape song

Choose circle, square, triangle or rectangle to begin.

2

Trace the shape

Use a finger, crayon, air drawing or a shape card.

3

Find it in real life

Look for the shape in books, toys, windows and signs.

4

Build and sort

Use blocks, sticks, playdough or cards to make the shape.

Teacher or parent note: Use one or two shapes at a time.
Keep it playful, not like a test.

Shape Song Cards

Cut out and sing together

Circle

Round and round, a circle goes.
No corners, only curves it shows.

Square

One, two, three, four. A square
has sides to count once more.

Triangle

Triangle, point up high. Three little
corners reaching the sky.

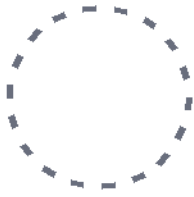

Rectangle

Long side, short side, long side
too. A rectangle is here for you.

Cut along the outside of each card.

Trace the Shapes

Circle, square, triangle and rectangle

Trace then write

Square

Trace then write
