Use one page at a time. Keep the focus gentle, joyful, and age-appropriate. Children can sing, colour, point, clap, move, draw, or simply listen.

1

Pick one song

Choose one Bible song your child already likes or one from the checklist.

2

Sing together

Sing slowly. Add hand motions, claps, or gentle movement.

3

Do one activity

Colour, match, trace, move, or fill in a simple page.

4

Talk about kindness

Ask one small question, such as: How can we be kind today?

Adult note: Always supervise children during crafts, movement games, small objects, scissors, online videos, and printable activities. Adapt every page for your child's age and ability.
